Subject: Comments

Please find below comments from Old Leake Parish Council for the following applications

B/24/0052 OUTLINE PLANNING APPLICATION FOR 4NO. DWELLINGS

33 Church Road

The Parish Council support in principal however request the following issues are considered:

Is there enough parking for 4 dwellings as it is a compounded site

what crime reduction/burglary deterrent would be in place

what wildlife consideration will be taken into account

This would be a vast improvement to the site but ensure the site is not over developed.

Kind regards

Joann Greer

Clerk to Old Leake Parish Council
