Subject: RE: B/24/0090 - Notification under Section 211 for works to trees within a Conservation Area to include T6 (lime) reduce to 7m with no spread at Churchyard of St Peter and St Paul's Church, Willington Road, Kirton

Many thanks for your email.

I confirm I wish to withdraw the application B/24/0090 and reduce the intended proposed works with tree images to carry out a crown reduction of between 1m and 2m in both height and crown reduction, with pruning cuts to not exceed 4cm diameter

I trust this is acceptable and look forward to confirmation that works may commence.

Many thanks for your guidance in this
