**Subject:** RE: Planning application B/21/0359 Land at Greenyard UK Frozen Ltd, Riverside Industrial Estate, Marsh Lane, Boston PE21 7RY

Dear Sharon,

My colleague, Adam Thomas, who submitted the application is on leave this week.

I've checked with the applicant and the inverter is cooled by an air coolant system. There is no use or storage of hazardous materials proposed as part of this application.

I apologise for any confusion.

Kind regards

Helen Donnelly | Principal Planner
