Dear Mrs Archer,

I write to confirm that the proposed non-material amendments submitted on your application dated 20-Aug-2020 are acceptable and the application file has been endorsed accordingly.

In addition, the following changes have been made to condition 7 on the existing approval (Ref B/14/0165).

These amendments relate to: Removal of the "bus layby" from the condition to accord with Deed of variation.

Amended condition should now read as follows:

- i. the construction of the four-armed roundabout
- ii. a traffic signal controlled 'Toucan' crossing on the A16 north of the roundabout
(i. above)

have all been submitted to and approved in writing by the local planning authority (such details to be generally in accordance with that shown on the submitted drawing number 7283 010 Rev P7, dated 29 April 2014).

If you wish to discuss the outcome of this application further please do not hesitate to contact Trevor Thompson.

Yours sincerely
