IMPORTANT NOTES

This consent does not constitute permission under the Party Wall etc Act 1996, nor any Building Regulations approval under the Building Act 1984.

We may have attached other documents or copy letters to this decision notice. While these do not form part of the Council's formal decision they should be used or read in conjunction with it. They contain useful or essential information, which you require to be aware of and may necessitate further actions on your part.

PLANNING APPEALS

If you are aggrieved by the decision or any of the conditions attached to a consent you may pursue an appeal to the Secretary of State for Communities and Local Government under Section 78 of the Town and Country Planning Act 1990. However, it is suggested that you speak, in the first instance, to the Planning Officer who dealt with your application for further advice.

If you want to appeal you can submit online, at www.gov.uk/appeal-planning-decision, however, if you wish to apply by post the address is: The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Planning Inspectorate customer support team: 0303 444 5000

Email: enquiries@pins.gsi.gov.uk

The Secretary of State can allow a longer period for giving notice of an appeal but he will not normally be prepared to use this power unless there are special circumstances, which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions given under the order.

In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

PURCHASE NOTICE

If either the Local Planning Authority or the Secretary of State for Communities and Local Government refused permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonable beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

PROPOSED DEMOLITION

The provisions of Section 80 of the Building Act 1984 require that anyone who intends to demolish a building or structure shall give notice to the Council's Building Control department (01205 314295) beforehand, and work shall not commence until the Local Authority have given Notice under Section 81, or the relevant period of 6 weeks has expired.
