Good afternoon,

We are in receipt of the above planning application for the removal of condition 7. To enable us to validate and register the application and in line with policy, as the application will form a new decision, I would be grateful if you could forward confirmation as to whether there have been any changes with regard to the assessments & statements which were received as part of the original planning application, B/21/0191.

I hope this clarifies the situation for you. Please do not hesitate to contact us should you have any queries regarding this matter.
