Your Comment	
What is the planning application number?	B/24/0052
What is the nature of your representation?	Objection
What is your comment?	<p>Parking from visitors will be a huge impact on an already busy street. a driveway in front of the house was apparently rejected due to safety implications, due to having to drive over a path when there are lots of children walking past from the estate further down. This will cause visitors to park outside the front doors of the homes right next to a junction. This is also busy with clientèle from the pub and a huge safety risk especially with school being so close! Let alone now the prospect of being overlooked, which will devalue my house and and thats not a great prospect! I also work locally, so cramming 4 more houses in a space fit for 1 will be an absolute drain on the services as they will be avoiding paying into the section 106 again. We moved her to be quiet and rural not in a sprawling metropolis! The infrastructures just wont hold out muh longer! Please give locals some consideration!</p>
