DISCHARGE OF PLANNING CONDITIONS

Application ref: B/21/0324
Proposal: Installation of a static caravan unit to be used as ancillary accommodation
Location: 15 Willington Road, Kirton, Boston, PE20 1EP

Dear Sir / Madam

I write in relation to the above application and the following conditions which require information to be submitted to the Council.

Condition 4 (North and East facing windows)

This condition requires details to show how glazing in the north elevation bedroom window and easterly facing bedroom and living space windows will be obscured to *'prevent a significant loss of privacy to the adjacent neighbours.'*

To satisfy this condition it is proposed to fit the windows with a plain frosted window film such as the enclosed example. This is a self-adhesive vinyl which will maintain privacy for the occupants of the caravan as well as the neighbours whilst minimising the loss of natural light.

I trust that the above and enclosed information is satisfactory, however, please do not hesitate to contact me if you require anything further.

Yours faithfully

Andrew Clover
