To whom it may concern,

RE: Air Quality - Change of use of land and existing building from agricultural to creat an Autism support centre, providing respite short stay, physio therapy and day support at Land Norrth of A52, between Butterwick and Bennington.

We/I have considered air quality as part of this development and do not consider there is mitigation that can be implemented as part of this development.

Please feel free to get in touch should you require any further information.

Kind Regards

Angela Keen BA(Hons), MArch
