

Air Quality Statement- 13, Red Lion Street, Boston, PE21 6NY

I have considered air quality as part of this development and can identify that the lighting has been taken into consideration and the lighting is classed as energy efficient other than that I do not consider there is mitigation that can be implemented as part of this development.' This will be the criteria under which your proposal will be considered in accordance with Policy 30 of the South East Lincolnshire Local Plan 2011-2036.
