☒ I/we confirm that the proposed development, if granted permission, would be exempt from the general biodiversity gain condition.

Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 (as amended) sets out that every planning permission granted for the development of land in England shall be deemed to have been granted subject to the 'general biodiversity gain condition'.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
