## Application for Planning Permission. Town and Country Planning Act 1990

### Publication of applications on planning authority websites.

Please note that the information provided on this application form and in supporting documents may be published on the Authority's website. If you require any further clarification, please contact the Authority's planning department.

### 1. Site Address

|                |                 |
|----------------|-----------------|
| Number         | 51              |
| Suffix         | A               |
| Property name  | Boston Car Park |
| Address line 1 | Wide Bargate    |
| Address line 2 |                 |
| Address line 3 |                 |
| Town/city      | Boston          |
| Postcode       | PE21 6SH        |

Description of site location must be completed if postcode is not known:

|              |        |
|--------------|--------|
| Easting (x)  | 533086 |
| Northing (y) | 344383 |

Description

The Proposed Boston Hand Car Wash Valeting canopy will be assembled with light steel construction of columns posts (fixed to concrete base) with connected steel beams to form the canopy with heavy-duty plastic cover.

The sidewalls of the canopy will be fixed with 5mm to 7mm clear plastic panels to avoid splashing water onto parking cars. The clear plastic panels (fitted between the steel posts with rubber frames) will not only retain water splash within the site but also alleviate the passage of noise from the land into the neighbouring area (see proposed elevations and detail drawings for plastic panels).

### 2. Applicant Details

|                |                                    |
|----------------|------------------------------------|
| Title          | Mr                                 |
| First name     | Serkan                             |
| Surname        | Arslan                             |
| Company name   |                                    |
| Address line 1 | Boston Car Park, 51A, Wide Bargate |
| Address line 2 |                                    |
| Address line 3 |                                    |

2. Applicant Details

|                                                               |                                       |
|---------------------------------------------------------------|---------------------------------------|
| Town/city                                                     | <input type="text" value="Boston"/>   |
| Country                                                       | <input type="text"/>                  |
| Postcode                                                      | <input type="text" value="PE21 6SH"/> |
| Are you an agent acting on behalf of the applicant?           |                                       |
| <input checked="" type="radio"/> Yes <input type="radio"/> No |                                       |
| Primary number                                                | <input type="text"/>                  |
| Secondary number                                              | <input type="text"/>                  |
| Fax number                                                    | <input type="text"/>                  |
| Email address                                                 | <input type="text"/>                  |

3. Agent Details

|                  |                                                           |
|------------------|-----------------------------------------------------------|
| Title            | <input type="text" value="Mr"/>                           |
| First name       | <input type="text" value="Sejad"/>                        |
| Surname          | <input type="text" value="Mehanovic"/>                    |
| Company name     | <input type="text" value="SM Design Consultancy Studio"/> |
| Address line 1   | <input type="text" value="29 / 2 Crescent Road"/>         |
| Address line 2   | <input type="text" value="Crouch End"/>                   |
| Address line 3   | <input type="text"/>                                      |
| Town/city        | <input type="text" value="London"/>                       |
| Country          | <input type="text"/>                                      |
| Postcode         | <input type="text" value="N8 8AL"/>                       |
| Primary number   | <input type="text"/>                                      |
| Secondary number | <input type="text"/>                                      |
| Fax number       | <input type="text"/>                                      |
| Email            | <input type="text"/>                                      |

4. Site Area

|                                                                         |                                         |
|-------------------------------------------------------------------------|-----------------------------------------|
| What is the measurement of the site area?<br>(numeric characters only). | <input type="text" value="2392.90"/>    |
| Unit                                                                    | <input type="text" value="Sq. metres"/> |

5. Description of the Proposal

Please describe details of the proposed development or works including any change of use.

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

This Design and Access Statement has been prepared on behalf of the applicant Mr. Serkan Arslan for Proposed Boston Hand Car Wash - Valeting. The statement seeks to support the Full Planning Application for Proposed Boston Hand Car Wash Valeting at above address (Please see attached drawings for further details).

5. Description of the Proposal

The sites consist of an existing Boston Car Park, access to the existing car park and proposed Boston Hand Car Wash Valeting is throughout Wide Bargate, and exit from Boston Car Park and proposed Boston Hand Car Wash Valeting is throughout Grove Street West to the Pen Street and connection to Wide Bargate and to roundabout St John Adams Way A16 and link to Spalding Road A16 to the South.

The proposal

The Proposed Boston Hand Car Wash Valeting canopy will be assembled with light steel construction of columns posts (fixed to concrete base) with connected steel beams to form the canopy with heavy-duty plastic cover.

The sidewalls of the canopy will be fixed with 5mm to 7mm clear plastic panels to avoid splashing water onto parking cars. The clear plastic panels (fitted between the steel posts with rubber frames) will not only retain water splash within the site but also alleviate the passage of noise from the land into the neighbouring area (see proposed elevations and detail drawings for plastic panels).

Has the work or change of use already started? ☐ Yes ☒ No

6. Existing Use

Please describe the current use of the site

Car Park

Is the site currently vacant? ☐ Yes ☒ No

Does the proposal involve any of the following? If Yes, you will need to submit an appropriate contamination assessment with your application.

Land which is known to be contaminated ☐ Yes ☒ No

Land where contamination is suspected for all or part of the site ☐ Yes ☒ No

A proposed use that would be particularly vulnerable to the presence of contamination ☐ Yes ☒ No

7. Materials

Does the proposed development require any materials to be used externally? ☒ Yes ☐ No

Please provide a description of existing and proposed materials and finishes to be used externally (including type, colour and name for each material):

|                                                            |                                     |
|------------------------------------------------------------|-------------------------------------|
| Walls                                                      |                                     |
| Description of existing materials and finishes (optional): | N/A                                 |
| Description of proposed materials and finishes:            | Steel Beam with Clear Plastic Panel |

  

|                                                            |                                            |
|------------------------------------------------------------|--------------------------------------------|
| Roof                                                       |                                            |
| Description of existing materials and finishes (optional): | N/A                                        |
| Description of proposed materials and finishes:            | Harvey duty plastic cover or plastic cover |

  

|                                                            |                                                                                                     |
|------------------------------------------------------------|-----------------------------------------------------------------------------------------------------|
| Windows                                                    |                                                                                                     |
| Description of existing materials and finishes (optional): | N/A                                                                                                 |
| Description of proposed materials and finishes:            | Customers waiting and staff room will be double glazing windows as part of portable cabins fittings |

  

|                                                            |                                                                                                   |
|------------------------------------------------------------|---------------------------------------------------------------------------------------------------|
| Doors                                                      |                                                                                                   |
| Description of existing materials and finishes (optional): | N/A                                                                                               |
| Description of proposed materials and finishes:            | Customers waiting and staff room will be double glazing doors as part of portable cabins fittings |

7. Materials

|                                                            |             |
|------------------------------------------------------------|-------------|
| Boundary treatments (e.g. fences, walls)                   |             |

| Description of proposed materials and finishes:            | as existing |

|                                                            |             |
|------------------------------------------------------------|-------------|
| Vehicle access and hard standing                           |             |
| Description of existing materials and finishes (optional): | as existing |
| Description of proposed materials and finishes:            | as existing |

|                                                            |                                                                                                                   |
|------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------|
| Lighting                                                   |                                                                                                                   |
| Description of existing materials and finishes (optional): | N/A                                                                                                               |
| Description of proposed materials and finishes:            | To meet current British Standard all lighting must me water proof and moisture resistant to pass British Standard |

Are you supplying additional information on submitted plans, drawings or a design and access statement? ☒ Yes ☐ No

If Yes, please state references for the plans, drawings and/or design and access statement

- Existing Plans
- Proposed Plans and Elevations
- Design Access Statement
- Cover Letter
- Support letter from neighbours
- CIL Application
- Pre-Planning Application Report
- Acustic - Sound Report
- Flood Risk Assessment Report
- Ordinance Survey Plan

8. Pedestrian and Vehicle Access, Roads and Rights of Way

Is a new or altered vehicular access proposed to or from the public highway? ☐ Yes ☒ No

Is a new or altered pedestrian access proposed to or from the public highway? ☐ Yes ☒ No

Are there any new public roads to be provided within the site? ☐ Yes ☒ No

Are there any new public rights of way to be provided within or adjacent to the site? ☐ Yes ☒ No

Do the proposals require any diversions/extinguishments and/or creation of rights of way? ☐ Yes ☒ No

9. Vehicle Parking

Does the site have any existing vehicle/cycle parking spaces or will the proposed development add/remove any parking spaces? ☒ Yes ☐ No

Please provide information on the existing and proposed number of on-site parking spaces

| Type of vehicle | Existing number of spaces | Total proposed (including spaces retained) | Difference in spaces |
|-----------------|---------------------------|--------------------------------------------|----------------------|
| Cars            | 90                        | 72                                         | -18                  |
| Cycle spaces    | 0                         | 7                                          | 7                    |

## 10. Trees and Hedges

Are there trees or hedges on the proposed development site?

☐ Yes ☒ No

And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character?

☐ Yes ☒ No

**If Yes to either or both of the above, you may need to provide a full tree survey, at the discretion of your local planning authority. If a tree survey is required, this and the accompanying plan should be submitted alongside your application. Your local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'.**

## 11. Assessment of Flood Risk

Is the site within an area at risk of flooding? (Check the location on the Government's Flood map for planning. You should also refer to national standing advice and your local planning authority requirements for information as necessary.)

☒ Yes ☐ No

**If Yes, you will need to submit a Flood Risk Assessment to consider the risk to the proposed site.**

Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)?

☐ Yes ☒ No

Will the proposal increase the flood risk elsewhere?

☐ Yes ☒ No

**How will surface water be disposed of?**

☒ Sustainable drainage system

☐ Existing water course

☐ Soakaway

☒ Main sewer

☐ Pond/lake

## 12. Biodiversity and Geological Conservation

**Is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site?**

**To assist in answering this question correctly, please refer to the help text which provides guidance on determining if any important biodiversity or geological conservation features may be present or nearby; and whether they are likely to be affected by the proposals.**

a) Protected and priority species:

- ☐ Yes, on the development site  
☐ Yes, on land adjacent to or near the proposed development  
☒ No

b) Designated sites, important habitats or other biodiversity features:

- ☐ Yes, on the development site  
☐ Yes, on land adjacent to or near the proposed development  
☒ No

c) Features of geological conservation importance:

- ☐ Yes, on the development site  
☐ Yes, on land adjacent to or near the proposed development  
☒ No

## 13. Foul Sewage

Please state how foul sewage is to be disposed of:

### 13. Foul Sewage

- ☒ Mains Sewer  
☐ Septic Tank  
☐ Package Treatment plant  
☐ Cess Pit  
☐ Other  
☐ Unknown

Are you proposing to connect to the existing drainage system?

☒ Yes ☐ No ☐ Unknown

If Yes, please include the details of the existing system on the application drawings. Please state the plan(s)/drawing(s) references.

Please see proposed drainage drawings for further details.

### 14. Waste Storage and Collection

Do the plans incorporate areas to store and aid the collection of waste?

☒ Yes ☐ No

If Yes, please provide details:

Please see proposed drawings for further details

Have arrangements been made for the separate storage and collection of recyclable waste?

☒ Yes ☐ No

If Yes, please provide details:

Please see proposed drawings for further details

### 15. Trade Effluent

Does the proposal involve the need to dispose of trade effluents or trade waste?

☒ Yes ☐ No

If Yes, please describe the nature, volume and means of disposal of trade effluents or waste

The Car Wash Valeting is use shampoo for washing cars and polishing products. Shampoo will be drain to existing drainage system at Existing Car Park. I am convinced that car wash shampoo product is not worse the our domestic used product for cleaning dishes or washing machine or our shower shampoo product.

### 16. Residential/Dwelling Units

**Please note: This question has been updated to include the latest information requirements specified by government. Applications created before 23 May 2020 will not have been updated, please read the 'Help' to see details of how to workaround this issue.**

Does your proposal include the gain, loss or change of use of residential units?

☐ Yes ☒ No

### 17. All Types of Development: Non-Residential Floorspace

Does your proposal involve the loss, gain or change of use of non-residential floorspace?

Note that 'non-residential' in this context covers all uses except Use Class C3 Dwellinghouses.

☐ Yes ☒ No

### 18. Employment

Are there any existing employees on the site or will the proposed development increase or decrease the number of employees?

☒ Yes ☐ No

#### Existing Employees

Please complete the following information regarding existing employees:

|                            |                                   |
|----------------------------|-----------------------------------|
| Full-time                  | <input type="text" value="0"/>    |
| Part-time                  | <input type="text" value="0"/>    |
| Total full-time equivalent | <input type="text" value="0.00"/> |

## 18. Employment

### Proposed Employees

If known, please complete the following information regarding proposed employees:

|                            |                                    |
|----------------------------|------------------------------------|
| Full-time                  | <input type="text" value="8"/>     |
| Part-time                  | <input type="text" value="4"/>     |
| Total full-time equivalent | <input type="text" value="12.00"/> |

## 19. Hours of Opening

Are Hours of Opening relevant to this proposal? ☒ Yes ☐ No

Please add details of the of the Use Classes and hours of opening for each non-residential use proposed.

Following changes to Use Classes on 1 September 2020: The list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. Multiple 'Other' options can be added to cover each individual use. View further information on Use Classes.

If you do not know the hours of opening, select the Use Class and tick 'Unknown' in the popup box.

| Use                     | Monday to Friday                     | Saturday                             | Sunday and Bank Holidays             | Unknown |
|-------------------------|--------------------------------------|--------------------------------------|--------------------------------------|---------|

## 20. Industrial or Commercial Processes and Machinery

Does this proposal involve the carrying out of industrial or commercial activities and processes? ☐ Yes ☒ No

Is the proposal for a waste management development? ☐ Yes ☒ No

**If this is a landfill application you will need to provide further information before your application can be determined. Your waste planning authority should make it clear what information it requires on its website**

## 21. Hazardous Substances

Does the proposal involve the use or storage of any hazardous substances? ☐ Yes ☒ No

## 22. Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land? ☒ Yes ☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- ☒ The agent  
☐ The applicant  
☐ Other person

## 23. Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application? ☒ Yes ☐ No

**If Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application more efficiently):**

**Officer name:**

|            |                                 |
|------------|---------------------------------|
| Title      | <input type="text" value="Mr"/> |
| First name | <input type="text"/>            |

### 23. Pre-application Advice

Surname

Reference

Enquiry Ref: PENQ/20/0033

Date (Must be pre-application submission)

03/08/2020

Details of the pre-application advice received

We are fully incorporate Pre-Planning Report and advice from Pre-Planning Officer Mr Richard Byrne in our final proposal, we are very happy to supply any additional support information in order to support our Full Planning Application for Boston Hand Car Wash Valeting to obtain planning consent.

### 24. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

☐ Yes ☒ No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

### 25. Ownership Certificates and Agricultural Land Declaration

**CERTIFICATE OF OWNERSHIP - CERTIFICATE A - Town and Country Planning (Development Management Procedure) (England) Order 2015 Certificate under Article 14**

I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/the applicant was the owner\* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding\*\*

\* 'owner' is a person with a freehold interest or leasehold interest with at least 7 years left to run. \*\* 'agricultural holding' has the meaning given by reference to the definition of 'agricultural tenant' in section 65(8) of the Act.

**NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.**
