7. Description of Proposed Works, Impacts and Risks

Please refer to the accompanying Design and Access Statement and submitted elevations 501_GE01

Please provide details of any transport and highways impacts and how these will be mitigated:

The site is accessed via the existing adopted highway Sykemouth Drive. Sykemouth Drive has an established turning from the main Hubberts Bridge Road (B1192) and serves a number of existing properties. The proposal is sought as an individual dwelling and will not cause any adverse highways or transport impacts. Please refer to the accompanying Design and Access Statement for further detail.

Please provide details of any noise impacts and how these will be mitigated:

The proposal is for a single dwelling and as such will not pose any adverse noise impacts. Please refer to the accompanying Design and Access Statement for further detail.

Please provide details of any contamination risks and how these will be mitigated:

There are no safety hazard areas on site nor are we aware of any contamination issues. Please refer to the accompanying Design and Access Statement

Please provide details of any flooding risks and how these will be mitigated.

A flood risk assessment should accompany the application where the site:

- is in Flood Zones 2 or 3; or
- is in an area with critical drainage problems (such areas will have been notified to the Local Planning Authority by the Environment Agency).

Check if your site location is in Flood Zone 2 or 3 online

Check with your Local Planning Authority to see if your site is in an area with critical drainage problems.

Please refer to the accompanying Design and Access Statement and Flood Risk Assessment
