Good afternoon Sharon,  
I can clarify that it is really an application to discharge the condition and in that case can you please send me the refund request form?

Kind Regards  
Nick

Good morning,

We are in receipt of an application for the above address from the Planning Portal with reference PP-09463878.

I would be grateful if you could clarify that you wish to discharge condition 4, to submit details of the parking arrangements, of planning permission B/20/0393, rather than for removal or variation of the condition. If this is the case, the incorrect form and fee has been submitted. We do not necessarily require a new application form to do this, it would just need to be confirmed in writing.

I hope this clarifies the situation for you. Please do not hesitate to contact us should you have any queries regarding this matter.
