In pursuance of the powers exercised by it as Planning Authority, Boston Borough Council, having considered your application to carry out the following development:

**Proposed two storey dwelling at Treetops Lodge, White House Lane, Fishtoft, Boston, PE21 0BE**

and in accordance with this notice and the particulars given in the application, do hereby give notice of its decision to **REFUSE Full Planning Permission for the said development for the following reasons:-**

1. The proposed development, by reason of its design in combination with the removal of the boundary hedge and close proximity to the edge of White House Lane would harm the character and visual amenity of the area. The cumulative effect of the area for parking with the close proximity of the dwelling would be at odds with the existing pattern of dwellings and would result in closing the sense of openness that currently exists. The removal of the boundary hedge would be to the detriment with the existing street appearance where vegetation forms a highly prominent established feature in the street and replacement with a close boarded fence would be harmful to visual amenity and the character and appearance of the area. Overall, the proposed development is symptomatic of overdevelopment, resulting in a scheme that would appear cramped and at odds with the prevailing character. As such, the development would be contrary to Policies 2 and 3 of the South East Lincolnshire Local Plan (2011-2036) and Section 12 of the National Planning Policy Framework which seeks to secure a high standard of design that is sympathetic to the character of an area.

List of Refused plans:

- Drawing Number: 101 Rev A – Location Plan;
- Drawing Number: 102 Rev B – Site Plan;
- Drawing Number: 103 Rev B – Proposed Floor Plans & Section;
- Drawing Number: 104 Rev B – Proposed Elevations and street scene;
- Flood Risk Assessment – July 2020 Ver 1; and,
- Design and Access Statement – Last updated 20 July 2020.

In determining this application the authority has taken account of the guidance in paragraph 38 of the National Planning Policy Framework 2019 in order to seek to secure sustainable development that improves the economic, social and environmental conditions of the Borough.

**IMPORTANT NOTES****PLANNING APPEALS**

This consent does not constitute permission under the Party Wall etc Act 1996, nor any Building Regulations approval under the Building Act 1984.

We may have attached other documents or copy letters to this decision notice. While these do not form part of the Council's formal decision they should be used or read in conjunction with it. They contain useful or essential information, which you require to be aware of and may necessitate further actions on your part.

**PLANNING APPEALS**

If you are aggrieved by the decision or any of the conditions attached to a consent you may pursue an appeal to the Secretary of State for the Environment under Section 78 of the Town and Country Planning Act 1990. However, it is suggested that you speak, in the first instance, to the Planning Officer who dealt with your application for further advice.

If you wish to appeal the easiest way of submitting an appeal is online at [www.gov.uk/appeal-planning-decision](http://www.gov.uk/appeal-planning-decision), however if you wish to apply by post the address is: The Planning Inspectorate, Room 3/13, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN

The Planning Inspectorate customer support team: 0303 444 5000

Email: [enquiries@pins.gsi.gov.uk](mailto:enquiries@pins.gsi.gov.uk)

For householder or minor commercial planning applications you must appeal within **12 weeks** from the date on the decision notice. For all other types of planning application then you must do so within **6 months** from the date of the decision notice.

The Secretary of State can allow a longer period for giving notice of an appeal but he will not normally be prepared to use this power unless there are special circumstances, which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions given under the order.

In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

**PURCHASE NOTICE**

If either the Local Planning Authority or the Secretary of State for the Environment refused permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonable beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

**PROPOSED DEMOLITION**

The provisions of Section 80 of the Building Act 1984 require that anyone who intends to demolish a building or structure shall give notice to the Council's Building Control department (01205 314295) beforehand, and work shall not commence until the Local Authority have given Notice under Section 81, or the relevant period of 6 weeks has expired.
