In pursuance of the powers exercised by it as Planning Authority, Boston Borough Council, having considered your application to carry out the following development:

Single storey rear extension following demolition of existing conservatory and front porch extension at 15, Burton Close, Boston, PE21 9QW

And in accordance with this notice and the particulars given in the application, do hereby give notice of its decision to **GRANT Full Planning Permission** for the said development subject to **compliance with the following condition(s)**:

1. The development hereby permitted shall be begun before the expiration of four years from the date of this permission.

Reason: Required to be imposed pursuant to Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall be carried out in strict accordance with the application received and in accordance with the associated plans referenced:

- 12-428-04 Rev A Proposed Block Plan, Floor Plan and 3D Sketches;
- 12-428-05 Rev A Proposed North & West Elevations;
- 12-428-06 Rev A Proposed East & South Elevations.

Reason: To ensure that the development is undertaken in accordance with the approved details, in the interests of residential amenity and to comply with Policies 2 and 3 of the South East Lincolnshire Local Plan (2011-2036).

In determining this application the authority has taken account of the guidance in paragraph 38 of the National Planning Policy Framework 2019 in order to seek to secure sustainable development that improves the economic, social and environmental conditions of the Borough.

TOWN AND COUNTRY PLANNING ACT 1990

Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- **If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice**, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.
- **If an enforcement notice is served relating to the same or substantially the same land and development as in your application** and if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months [12 weeks in the case of a householder appeal] of the date of this notice, whichever period expires earlier.
- **If this is a decision to refuse planning permission for a householder application**, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
- **If this is a decision to refuse planning permission for a minor commercial application**, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
- **If this is a decision to refuse express consent for the display of an advertisement**, if you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of receipt of this notice.
- **If this is a decision to refuse consent for works to a tree protected by a Tree Preservation Order**, if you want to appeal against your local planning authority's decision then you must do so within 28 days of the date of this notice.
- **For all other decisions**, if you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.
- Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.
- The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- **If you intend to submit an appeal** that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.UK.](#)
- **Proposed Demolition** - The provision of Section 80 of the Building Act 1984 require that anyone who intends to demolish a building or structure shall give notice to the Council's Building Control department (01205 314295) beforehand, and work shall not commence until the Local Authority has given Notice under Section 81, or the relevant period of 6 weeks has expired.

RE: Formal Planning Application, PE21 9QW 15, Burton Close, Boston

Thank you for your enquiry which was received on 04/12/2020.

Please note this response and any attached map(s) are valid for 28 days.

An assessment has been carried out with respect to Cadent Gas Limited, National Grid Electricity Transmission plc's and National Grid Gas Transmission plc's apparatus. Please note it does not cover the items listed in the section "Your Responsibilities and Obligations", including gas service pipes and related apparatus.

For details of Network areas please see the Cadent website (<http://cadentgas.com/Digging-safely/Dial-before-you-dig>) or the enclosed documentation.

Are My Works Affected?

Searches based on your enquiry have identified that there is apparatus in the vicinity of your enquiry which may be affected by the activities specified.

Can you please inform Plant Protection, as soon as possible, the decision your authority is likely to make regarding this application.

If the application is refused for any other reason than the presence of apparatus, we will not take any further action.

Please let us know whether Plant Protection can provide you with technical or other information that may be of assistance to you in the determination of the application.

Due to the presence of Cadent and/or National Grid apparatus in proximity to the specified area, the contractor should contact Plant Protection before any works are carried out to ensure the apparatus is not affected by any of the proposed works.

Your Responsibilities and Obligations

The "Assessment" Section below outlines the detailed requirements that must be followed when planning or undertaking your scheduled activities at this location.

It is your responsibility to ensure that the information you have submitted is accurate and that all relevant documents including links are provided to all persons (either direct labour or contractors) working for you near Cadent and/or National Grid's apparatus, e.g. as contained within the Construction (Design and Management) Regulations.

This assessment solely relates to Cadent Gas Limited, National Grid Electricity Transmission plc (NGET) and National Grid Gas Transmission plc (NGGT) and apparatus. This assessment does **NOT** include:

- | Cadent and/or National Grid's legal interest (easements or wayleaves) in the land which restricts activity in proximity to Cadent and/or National Grid's assets in private land. You must obtain details of any such restrictions from the landowner in the first instance and if in doubt contact Plant Protection.
- | Gas service pipes and related apparatus
- | Recently installed apparatus
- | Apparatus owned by other organisations, e.g. other gas distribution operators, local electricity companies, other utilities, etc.

It is **YOUR** responsibility to take into account whether the items listed above may be present and if they could be affected by your proposed activities. Further "Essential Guidance" in respect of these items can be found on either the [National Grid](#) or [Cadent](#) website.

This communication does not constitute any formal agreement or consent for any proposed development work; either generally or with regard to Cadent and/or National Grid's easements or wayleaves nor any planning or building regulations applications.

Cadent Gas Limited, NGGT and NGET or their agents, servants or contractors do not accept any liability for any losses arising under or in connection with this information. This limit on liability applies to all and any claims in contract, tort (including negligence), misrepresentation (excluding fraudulent misrepresentation), breach of statutory duty or otherwise. This limit on liability does not exclude or restrict liability where prohibited by the law nor does it supersede the express terms of any related agreements.

If you require further assistance please contact the Plant Protection team via e-mail ([click here](#)) or via the contact details at the top of this response.

Yours faithfully

Plant Protection Team

ASSESSMENT

Affected Apparatus

The apparatus that has been identified as being in the vicinity of your proposed works is:

- I Low or Medium pressure (below 2 bar) gas pipes and associated equipment. (As a result it is highly likely that there are gas services and associated apparatus in the vicinity)

Requirements

BEFORE carrying out any work you must:

- I Carefully read these requirements including the attached guidance documents and maps showing the location of apparatus.
- I Contact the landowner and ensure any proposed works in private land do not infringe Cadent and/or National Grid's legal rights (i.e. easements or wayleaves). If the works are in the road or footpath the relevant local authority should be contacted.
- I Ensure that all persons, including direct labour and contractors, working for you on or near Cadent and/or National Grid's apparatus follow the requirements of the HSE Guidance Notes HSG47 - 'Avoiding Danger from Underground Services' and GS6 – 'Avoidance of danger from overhead electric power lines'. This guidance can be downloaded free of charge at <http://www.hse.gov.uk>
- I In line with the above guidance, verify and establish the actual position of mains, pipes, cables, services and other apparatus on site before any activities are undertaken.
