In pursuance of the powers exercised by it as Planning Authority, Boston Borough Council, having considered your application to carry out the following development:

Proposed change of use of existing agricultural building to residential dwelling at Red House Farm, Langrick Road, Brothertoft, Boston, PE20 3SW

And in accordance with this notice and the particulars given in the application, do hereby give notice of its decision to **GRANT Full Planning Permission** for the said development subject to **compliance with the following condition(s)**:

1. The development hereby permitted shall be begun before the expiration of four years from the date of this permission.

Reason: Required to be imposed pursuant to Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall be carried out in strict accordance with the application received on 10/03/2021 and in accordance with the associated plans referenced:

- J1751-PL-02 Rev P01 – Site Location Plan and Block Plan;
- J1751-PL-03 Rev P02 – Proposed Floor Plan;
- J1751-PL-04 Rev P02 – Proposed Elevations 1 of 3;
- J1751-PL-05 Rev P03 – Proposed Elevations 2 of 3;
- J1751-PL-06 Rev P03 – Proposed Elevations 3 of 3;
- J1751-PL-07 Rev P01 – Proposed Site Plan.

Reason: To ensure the development is undertaken in accordance with the approved details, in accordance with Policies 2, 3 and 4 of the South East Lincolnshire Local Plan (2011-2036) and with the intentions of the National Planning Policy Framework (2019).

3. The development permitted by this planning permission shall be carried out in accordance with the approved Flood Risk Assessment (FRA) dated A02- February 2021, reference number J1751 Red House Barn by Origin Design Studio Ltd and the following mitigation measures detailed within the FRA:

- Finished floor levels to be set no lower than 3.05m above Ordnance Datum (AOD);
- Flood resilience measures to be incorporated into the proposed development as stated to a minimum of 300mm above finished floor level.

The mitigation measures shall be fully implemented prior to occupation and subsequently remain in place thereafter.

Reason: To reduce the risk of flooding to the proposed development and future occupants, in addition to providing the appropriate level of protection in accordance with the National Planning Policy Framework and Policies 2 and 4 of the South East Lincolnshire Plan (2011-2036).

4. The water consumption of the dwelling hereby permitted should not exceed the requirement of 110 litres per person per day (as set out as the optional requirement in Part G of the Building Regulations 2010 and Policy 31 of the South East Lincolnshire Local Plan (2011-2036).

The person carrying out the work must inform the Building Control Body that this duty applies.

A notice confirming the requirement for the water consumption has been met shall be submitted to the Building Control Body and Local Planning Authority, no later than five days after the completion of each individual dwelling.

Reason: To protect the quality and quantity of water resources available to the district. This condition is imposed in accordance with Policy 31 of the South East Lincolnshire Local Plan (2011-2036).

5. No development shall take place above ground level until details regarding the inclusion of the enhancement measures as outlined in the approved Ecology and Protected Species Survey (Inspired Ecology Ltd, October 2020) have been submitted to and approved by the Local Planning Authority. The measures shall include:

- New hedgerows to be planted are to comprise native species;
- New trees and shrubs planted on the site are to comprise native locally appropriate species. Species that provide pollen, nectar and fruit should form part of the landscaping where possible in order to provide a food source for common birds;
- The grassed areas on the site are to be seeded with appropriate wildflower mixes;
- Specification, location and number of a bat roosting unit;
- Specification, location and number of bird boxes;
- Timetable for implementation of the above measures.

The approved works shall be carried out in accordance with the approved details.

Reason: In the interests of the natural environment in accordance with Policy 28 of the South East Lincolnshire Local Plan (2011-2036).

6. The precautionary measures outlined in the approved Ecology and Protected Species Survey (Inspired Ecology Ltd, October 2020) in regards to bats, birds, badgers and other ground mammals shall be followed at all times during the construction of the approved development.

Reason: In the interests of the natural environment in accordance with Policy 28 of the South East Lincolnshire Local Plan (2011-2036).

7. If development has not commenced within 12 months of the date of this permission, prior to the commencement of development the building(s) shall be re-surveyed for the presence of protected species and if present, a scheme of mitigation shall be submitted to the Local Planning Authority for approval in writing. The development shall be undertaken in accordance with the scheme of mitigation.

Reason: In the interest of protected species and to accord with the Wildlife and Countryside Act 1981 (as amended), the National Planning Policy Framework 2019 and Policy 28 of the South East Lincolnshire Local Plan (2011-2036).

8. No development shall take place above ground level until a landscape management plan including management responsibilities and maintenance schedules has been submitted to and approved by the Local Planning Authority. The landscape management plan shall then be implemented within 1 month of its approval and followed as approved thereafter.

Reason: In the interests of visual amenity and in accordance with Policies 2 and 3 of the South East Lincolnshire Local Plan (2011-2036).

9. No development shall take place above ground level until details regarding the provision of electric vehicle charging points have been submitted to and approved in writing by the Local Planning Authority. The details shall include:

- The number of charging points;
- Location of charging points;
- Specification of charging points;
- Timetable for the implementation of the above measures.

The development shall then be carried out in strict accordance with the approved details.

Reason: In the interests of promoting sustainable transport in accordance with Section 9 of the National Planning Policy Framework 2019 and Policy 31 of the South East Lincolnshire Local Plan (2011-2036).

10. Notwithstanding the details shown on the approved plans, no development shall take place until details of the materials proposed to be used for the external walls and roof have been submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved details.

Reason: To ensure that the new building is in keeping with the character of the area in accordance with Policies 2 and 3 of the South East Lincolnshire Local Plan (2011-2036).

11. Prior to the commencement of development, final details of measures that aim to reduce pollution and promote renewable and low carbon energy and details relating to the timing of their implementation, shall be submitted to and approved in writing with the Local Planning Authority.

The development shall be constructed in accordance with the approved measures.

Reason: To help reduce pollution and promote renewable and low carbon energy in new development schemes and to accord with Policies 2, 3, 30 and 31 of the South East Lincolnshire

Local Plan (2011-2036) and to accord with the intentions of the National Planning Policy Framework (2019).

12. The development hereby permitted shall not be commenced until details of a comprehensive contaminated land investigation has been submitted to and approved in writing by the Local Planning Authority and until the scope of works approved therein have been implemented. The assessment shall include all of the following measures unless the LPA dispenses with any such requirements in writing:

- a) A Phase I desk study carried out to identify and evaluate all potential sources of contamination and the impacts on land and/or controlled waters, relevant to the site. The desk study shall establish a 'conceptual model' of the site and identify all plausible pollutant linkages. Furthermore, the assessment shall set objectives for intrusive site investigation works/ Quantitative Risk Assessment (or state if none required). A full desk top study and a non-technical summary shall be submitted in writing to the Local Planning Authority.
- b) A site investigation shall be carried out to fully and effectively characterise the nature and extent of any land contamination and/or pollution of controlled waters. It shall specifically include a risk assessment that adopts the Source-Pathway-Receptor principle and take into account the site's existing status and proposed new use. A copy of the site investigation and findings shall be submitted in writing to the Local Planning Authority.

Reason: To ensure potential risks arising from previous site uses have been fully assessed and in accordance with Policy 30 of the South East Lincolnshire Local Plan (2011-2036).

13. Where the risk assessment (see preceding condition) identifies any unacceptable risk or risks, a detailed remediation strategy to deal with land contamination and/or pollution of controlled waters affecting the site shall be submitted to and approved in writing by the Local Planning Authority. No works, other than investigative works, shall be carried out on the site prior to receipt of written approval of the remediation strategy by the Local Planning Authority.

Reason: To ensure the proposed remediation plan is appropriate and in accordance with Policy 30 of the South East Lincolnshire Local Plan (2011-2036).

14. Remediation of the site shall be carried out in accordance with the approved remediation strategy (see preceding condition). No deviation shall be made from this scheme.

Reason: To ensure site remediation is carried out to the agreed protocol in accordance with Policy 30 of the South East Lincolnshire Local Plan (2011-2036).

15. On completion of remediation, a copy of a closure report shall be submitted to the Local Planning Authority for approval in writing. The report shall provide validation and certification that the required works regarding contamination have been carried out in accordance with the approved Method Statement(s). Post remediation sampling and monitoring results shall be included in the closure report.

Reason: To provide verification that the required remediation has been carried out to the required standards in accordance with Policy 30 of the South East Lincolnshire Local Plan (2011-2036).

16. If, during development, contamination not previously considered is identified, then the Local Planning Authority shall be notified immediately and no further work shall be carried out until a method statement detailing a scheme for dealing with the suspect contamination has been submitted to and agreed in writing with the Local Planning Authority.

Reason: To ensure all contamination within the site is dealt with in accordance with Policy 30 of the South East Lincolnshire Local Plan (2011-2036).

In determining this application the authority has taken account of the guidance in paragraph 38 of the National Planning Policy Framework 2019 in order to seek to secure sustainable development that improves the economic, social and environmental conditions of the Borough.

Date: 06-May-2021

A handwritten signature in black ink, appearing to read 'MG', with a horizontal line drawn through it.

Assistant Director – Planning
Boston Borough Council and East Lindsey District Council

TOWN AND COUNTRY PLANNING ACT 1990

Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- **If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice**, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.
- **If an enforcement notice is served relating to the same or substantially the same land and development as in your application** and if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months [12 weeks in the case of a householder appeal] of the date of this notice, whichever period expires earlier.
- **If this is a decision to refuse planning permission for a householder application**, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
- **If this is a decision to refuse planning permission for a minor commercial application**, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
- **If this is a decision to refuse express consent for the display of an advertisement**, if you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of receipt of this notice.
- **If this is a decision to refuse consent for works to a tree protected by a Tree Preservation Order**, if you want to appeal against your local planning authority's decision then you must do so within 28 days of the date of this notice.
- **For all other decisions**, if you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.
- Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.
- The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- **If you intend to submit an appeal** that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.UK.](#)
- **Proposed Demolition** - The provision of Section 80 of the Building Act 1984 require that anyone who intends to demolish a building or structure shall give notice to the Council's Building Control department (01205 314295) beforehand, and work shall not commence until the Local Authority has given Notice under Section 81, or the relevant period of 6 weeks has expired.
