Dear Mr Tim Ruck,

Notification under s211 for works to trees within a conservation area to include:

1 - Large multi-stemmed sycamore tree to be removed for safety reasons due to signs of decay and ivy beginning to effect the sound growth of the tree higher into crown at The Elms, Thornimans Lane, Frampton, Boston PE20 1AJ

Further to the above proposal, the works that you are proposing to carry out are not considered to be necessary and they would be detrimental to the overall appearance of the Conservation Area and harmful to the trees. It has therefore been decided that a Tree Preservation Order be made to protect the trees in the interests of the amenity of the area.

Yours sincerely
