Dear Sir/Madam

25 Norfolk Street, Boston, PE21 6PW

The application is for a proposed extension and internal alterations to create an enlarged kitchen and bedroom at 25 Norfolk Street which is situated within the Boston Conservation area.

The surrounding area is mostly residential and the property is a semi-detached early Victorian townhouse. The rear outrigger will be partly demolished except that of the wall which forms the boundary. New brickwork will be added to form the new extension.

We trust the above to be satisfactory, however should you require any further information please do not hesitate to contact us.

Yours sincerely
