In pursuance of the powers exercised by it as Planning Authority, Boston Borough Council, having considered your application to carry out the following development:

Proposed rear 2.5 storey extension at 55, Sleaford Road, Boston, PE21 8EX

and in accordance with this notice and the particulars given in the application, do hereby give notice of its decision to **REFUSE Full Planning Permission for the said development for the following reasons:-**

The proposed extension, by reason of the size, scale and resultant massing given the close proximity to the neighbouring property attached (No.57) and No.53A, will result in an inappropriate and un-neighbourly form of extension which will create an oppressive form of development which will have an unacceptable reduction in daylight, sunlight and outlook to the neighbouring properties. Taking the overall length into account there would also be a significant reduction in light and an overbearing presence to the immediate rear garden area of 57 Sleaford Road. Furthermore, the size, scale and design of the proposed extension would fail to relate to the existing property and appear incongruous and does not adequately reflect the character and appearance of the immediate residential development. As a consequence, the proposed extension is contrary to the provisions of Policies 2, 3 and 30 of the South East Lincolnshire Local Plan (2011-2036).

This application has been considered against the following plans and specifications within:

- Site Location Plan
- B/3468-1001 Existing Floor Plans

In determining this application the authority has taken account of the guidance in paragraph 38 of the National Planning Policy Framework 2019 in order to seek to secure sustainable development that improves the economic, social and environmental conditions of the Borough.
