Educational WW2 Museum

Endorsed by Dame Vera Lynn.

Date 06/05/2022

Planning Application No: B/22/0195

Flood Risk Assessment.

The proposed overspill Museum carpark, although in a flood risk zone will have no hard standing area. The proposed site will be set to grass and subject to its own natural drainage and therefore will pose no flood risk to any nearby properties, adjacent roads, watercourses or fields.
