Dear Ian

**Re: B/22/0516 (Reserved Matters)**

**Approval of reserved matters (access, appearance, landscaping, layout and scale) following outline approval B/19/0457 (outline planning permission for residential development (up to 9 dwellings) with all matters reserved for later approval)**

**Jasmine House, Asperton Road, Wigtoft, Boston, PE20 2PJ  
Collingwood**

Thank you for your consultation on the above application.

I have consulted with the agent and understand that surface water is to be disposed of via soakaways in the first instance. However, if this should change at any point in the future I would wish to be reconsulted at the time.

Yours sincerely

*C Shinkin*
