Statement for

MR & CM SENIOR
For
PROPOSED PROPERTY ADJACENT
THE OLD POST OFFICE
KIRTON HOLME ROAD
KIRTON HOLME
LINCS

The clients commitment to this proposal is to provide solar panels to the southern roof line offering an 8kW system if possible but a minimum of 4kW.

The heating system will be provided via an electric air source system to the latest standards.

An electric car charging port will be provided within the garage area.

All these items will be delivered through the construction of the property and be operational once the building is complete.

Regards

Julian Warrick
