

## GROUND FLOOR PLAN

## PLANS AND ELEVATIONS AS EXISTING

PROPOSED EXTENSION AND ALTERATIONS  
GLEBE COTTAGE ONE WAY STREET  
SUTTERTON  
for MR & MRS MOLLER

The second step is to identify the client's *desired* change. A desired change is a change that the client wants to be made. The desired change can be stated as a problem or as a goal. For example, a client may want to be able to "communicate more effectively with his or her employees" or "improve the quality of his or her work." The desired change can be stated in terms of a problem or as a goal. For example, a client may want to be able to "communicate more effectively with his or her employees" or "improve the quality of his or her work." The desired change can be stated in terms of a problem or as a goal. For example, a client may want to be able to "communicate more effectively with his or her employees" or "improve the quality of his or her work."
