

Project Notes:
Do not Scale. All dimensions to be checked on site and any discrepancies brought to the attention of the architect and engineer.

Member lengths to be determined on site by contractor - taking into account the bearing conditions.

Where the drawing is derived from third party drawings Jared Newell Consulting Ltd. do not take any responsibility for the accuracy or compliance of any imported information or details.

This drawing to be read in conjunction with all relevant engineer's, architect's and designer's drawings and schedules.

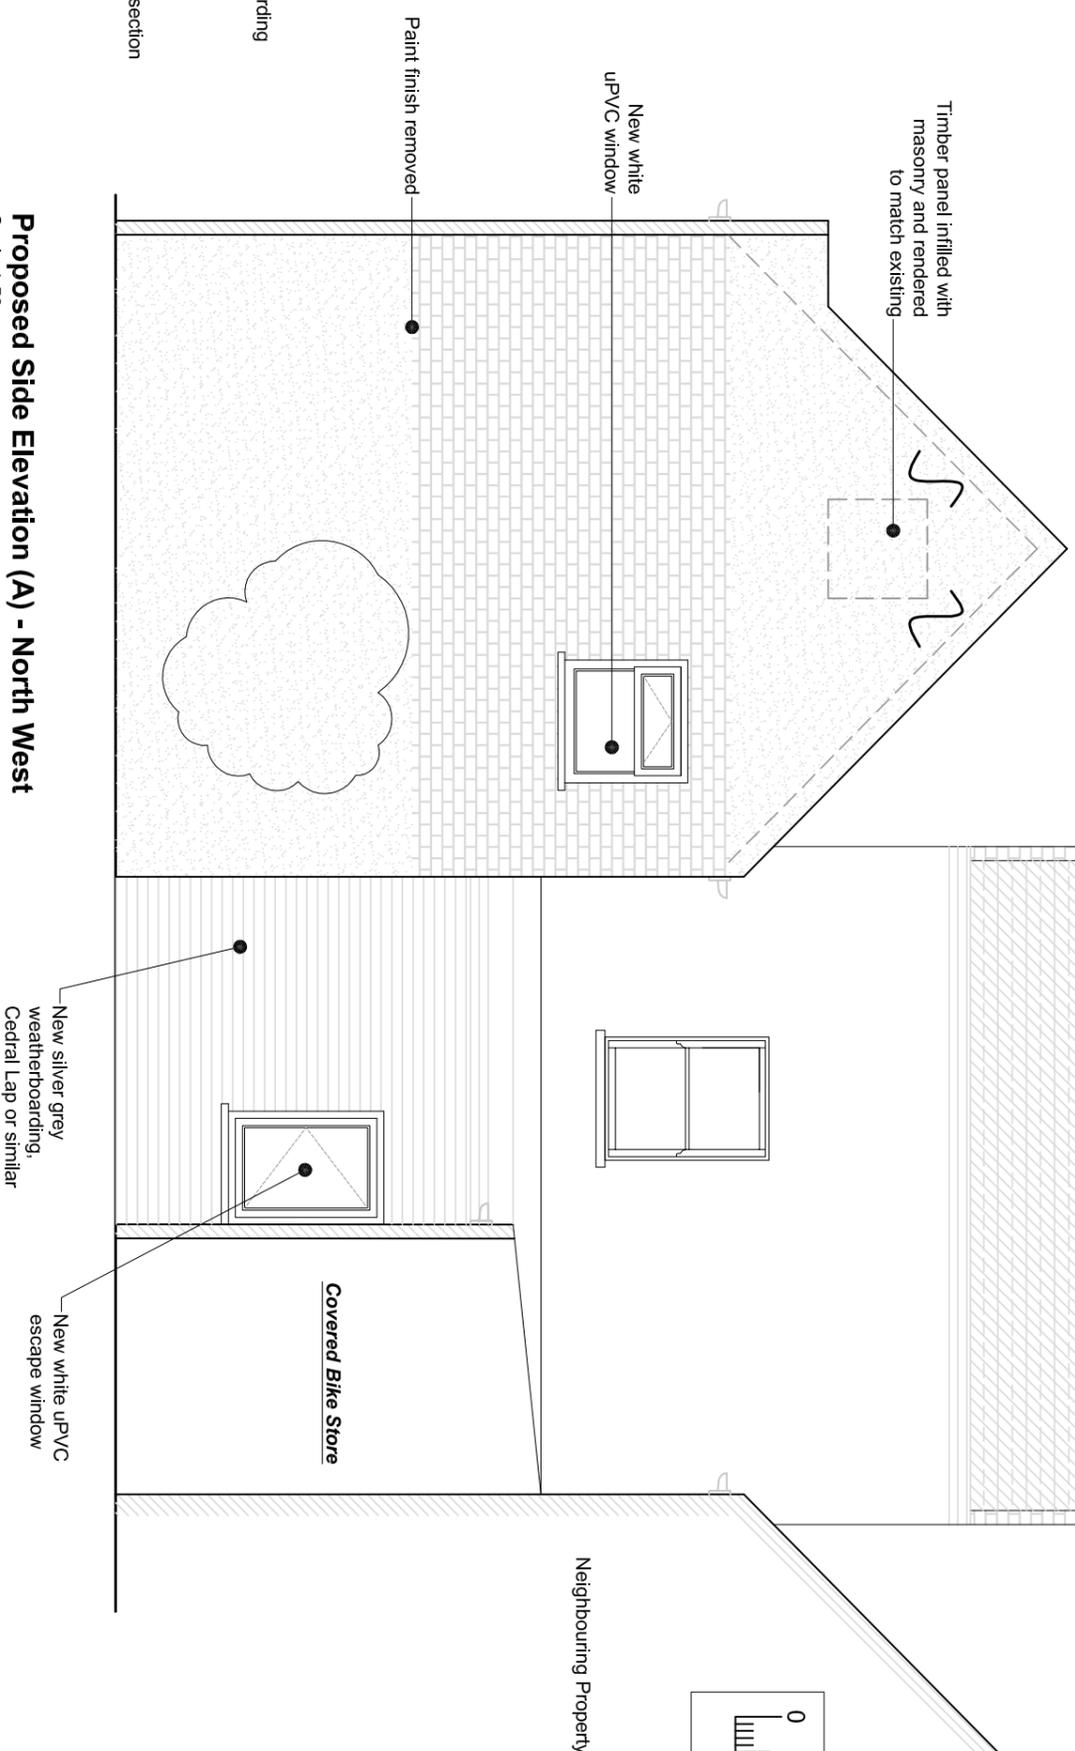

All workmanship and methods of construction should comply with all relevant Codes of Practice, British Standards, the current edition of The Building Regulations and good building practice.

-  : denotes render
-  : denotes brickwork
-  : denotes weatherboarding
-  : denotes tiles
-  : denotes masonry in section

late to be refurbished
(a like for like basis)
