Subject: RE: B/22/0143 - Demolition of existing industrial unit and construction of new industrial unit at Reflex labels, North End Business Park, Swineshead

Hi Simon

Thank you for the email.

The proposed use of the building would be for material/stock storage – there are no production activities for this building or any staff working full time in there, I suppose you could just say it's a metal shed that would therefore fall under B8 usage.

Kind Regards

Steve Kelly
